Overall rating of the CME

	n	Mean ± SD
Pre CME marks	373	14.3 ± 5.8
Post CME marks	378	16.3 ± 7.0
P-Value		0.000

Oct 21st 2020

Day 1 (AM)

(n=302)

Assessment of patient with anemia

Laboratory evaluation of red cell disorders

Coulter Laboratory (video demonstration)

Haemocytomorphometry - beyond the numbers

Management of bone marrow failure syndromes

How to do Bone Marrow?

Oct 21st 2020

Day 1 (PM)

(n=346)

Flowcytometry laboratory video

Approach to Primary Immune Deficiencies

Laboratory evaluation of bleeding disorders

Management of common coagulation disorders

Coagulation Lab (Video demonstration)

Coagulation Laboratory

Approach to thrombocytopenia

Management of ITP

Diagnosis and Management of VTE

“Who am I”

Oct 22nd 2020
Day 2 (AM)
(n=328)

CTG and molecular laboratory video

Basics of Molecular Biology

Diagnosis of leukemia

Management of Acute Leukemia

Management of CML

Insertion of PICC line?

Diagnosis of Lymphoma

Management of Hodgkins lymphoma

Diagnosis and Management of Plasma cell disorders

Overview of Management of NHL

How to do a Lumbar Puncture?

Oct 22nd 2020
Day 2 (PM)
(n=360)

Blood bank video

Rational use of Blood and its components

BMT room video

Hematopoietic stem cell transplantation

How to do a Bone Marrow? (Video)

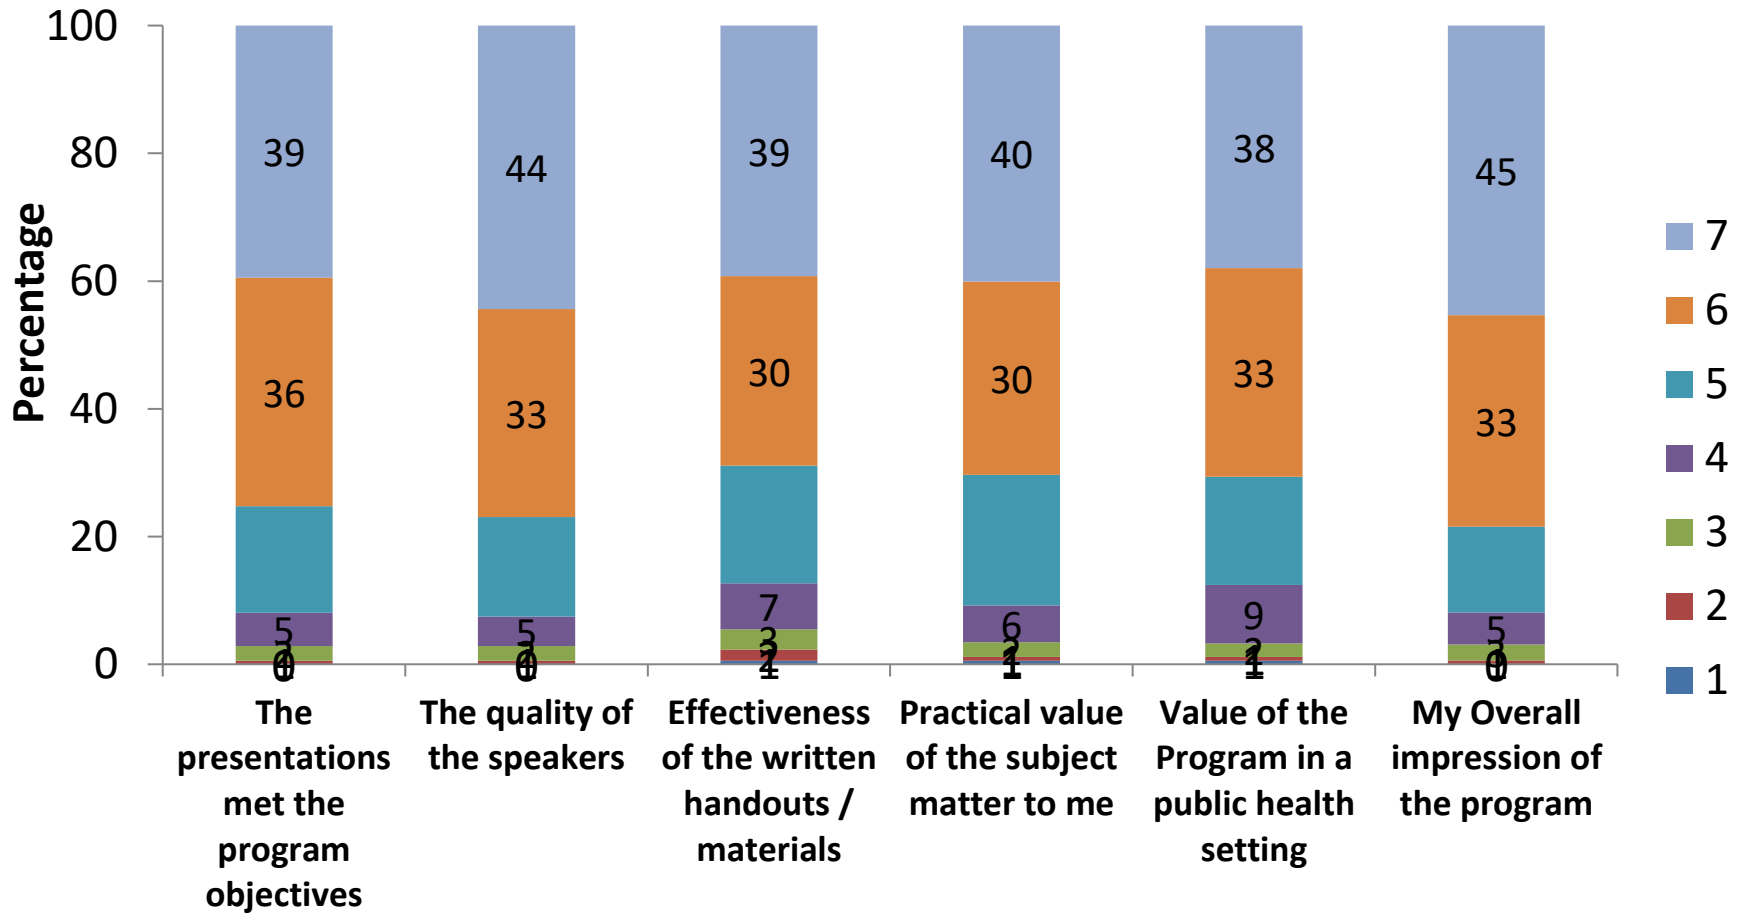

Basics of MRD monitoring

Quiz

MGR University-Evaluation
